## SECRET/CONTROL - U.S. OFFICIALS ONLY

- 2 -

50X1-HUM

- 6. The PVKhO (Protivovuzdushna i Khimichna Otbrana; Antiaircraft and Chemical Defense) is an organization which all able citizen of both sexes who have passed the age of 45 are obliged to join. Members are given instruction in defense against chemical agents dropped from the air, bacteriological warfare, and are taught how to aid the wounded. They are also given elementary instruction on how to reclaim areas impregnated with chemical gases.
- 7. The GTO (Gotov za Trud i Otbrana; Ready for Labor and Defense) is an organization aimed at forming groups of youth from 15 to 20 to use them in emergencies in work concerning national defense, including construction of fortifications work in the rear lines.

## Vidin Airfield

8. The Vidin emergency airfield is located on the northwestern outskirts of the city, approximately 300 meters from the civilian hospital. This field consists of a level area, nearly square, approximately 600 meters on each side, and devoid of any air facilities. Only once did an airplane make an emergency landing here when a doctor of the nearby hospital had to be taken to Sofia for an emergency operation.
